

SCHOOL PARTNERSHIP OVERVIEW

Immersive School Programmes, Designed by International School Leaders

Creating learning experiences students remember. Delivering programmes teachers value.

About FORMA

FORMA partners with international schools to design and deliver immersive learning experiences that bring the curriculum to life. Every programme is created by **practising international school leaders** and experienced educators, combining academic purpose with meaningful student engagement. Whether you're planning a curriculum enrichment day, a themed learning experience, a leadership programme or a weekend event, we work alongside your team to create experiences that leave a lasting impact.

Why Schools Choose FORMA

• Designed by practising international school leaders	• Minimal teacher workload
• Curriculum-aligned and adaptable	• Professional planning and delivery
• Tailored to your school's learning objectives	• Safe, organised and student-centred
• Experienced educator facilitators	• Flexible programmes for every school

Our Programmes

Curriculum Enrichment Cross-curricular learning experiences.	Signature Immersive Experiences Unique themed adventures.	Leadership & Personal Development Leadership, resilience and communication.	Creative Experiences Music, creativity, innovation and performance.
